QX80

INFINITI

EMPOWER THE DRIVE

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond—to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI QX80

Empower the drive with luxury. The journey is a luxurious destination in leather-appointed climate-controlled seats inspired by private jets. A 13-speaker Premium Audio system and 1,041mm of first-class spaciousness in the second row. Plus, All-Mode 4WD[®] to grip wet, snowy, un-road-like roads. QX80. Travel first class. No matter the destination.

EXTERIOR DESIGN

BOLD IN DESIGN. UNMISTAKABLE IN PRESENCE

Much more than its full-size stature, the QX80 expresses confidence in the clarity of its lines and the sculpting of its curves. It is an invitation to live audaciously.

IMPRESSION AMPLIFIED Expressing signature INFINITI design, the double arch grille is prominently placed in front and center. The arc of the bottom, like a natural reflection to that of the top, gives the front fascia a distinctive appearance.

EXPRESSIVE ILLUMINATION Stylish and functional, the LED headlights of the QX80 shed light where you steer and also provide another level of awareness with signature LED daytime running lights.

ATHLETIC STANCE Large 22-inch forged aluminum-alloy wheels not only complement the epic proportions of the QX80, they are designed to make handling more responsive. The lightweight construction inherently reduces unsprung weight and helps contribute to quicker turn-ins.

FUNCTIONALLY SEDUCTIVE Zero-lift aerodynamics help keep your QX80 balanced while in motion, helping maintain exceptional stability at speed and an intimate connection with the road.

INTERIOR DESIGN

THE SPACE TO SHOWCASE YOUR STYLE

Modern materials and rich textures create an interior that's unforgettable in its welcome. Warmth and elegance fill an immense, sophisticated space, while thoughtful design reflects the needs of who or what you bring.

EXPANSIVE COMFORT However you arrange the seating in the QX80, all of your passengers will travel on a grand scale, thanks to the legroom that abounds in every seat.

MORE COMFORTABLE QUICKLY Here, every aspect of your entrance is as hospitable as possible. Climate-controlled front seats^{1,2} actively circulate cool or warm air through perforated, quilted-leather vents, so you reach your comfort zone faster than you imagined.

DESIGN THAT EMPOWERS Space is carefully designed to be eminently useful to you, even in your everyday excursions. The rear liftgate opens to a flat cargo area and when both rows are folded down, it gives you access to the 2,694L of cargo space.¹

PREMIUM SECOND ROW There is no coach class in an INFINITI QX80. Leather-appointed, spacious captain's chairs support passengers in total comfort even on long journeys. Those in the second row also enjoy their own customizable climate control zone, and a spacious wood-trimmed center console armrest.

INVITE EVERYONE With comfortable seating for up to 6 adult passengers, you'll never have to leave anyone behind. The QX80 also makes ingress and egress easy with wide door openings, and a second row that folds with the push of a button. Third-row passengers will be able to enter with ease.

PERFORMANCE

POWER THAT PUSHES YOUR BOUNDARIES

Discover a whole new world with the QX80 through its refined performance and impressive capability.

NATURALLY SMOOTH SHIFTING

The 7-speed automatic transmission offers a wide selection of gears for versatile performance and enhanced fuel economy. A driver-adaptive learning algorithm familiarizes with your driving style and adjusts shifting for responsiveness or efficiency to suit you.

5.6L V8

Designed to be both more powerful and more efficient, the 5.6-liter V8 direct-injection petrol engine features Variable Valve Event and Lift (VVEL®) technology that enhances throttle response as well as economy. 400 hp and 560Nm of torque deliver up to 3,800kg of impressive towing capacity and the ability to pass with confidence.²

A CONTINUOUS RUSH

Acceleration Swell is our vision of power, dedicated to delivering a shape and feel to acceleration. By precisely tuning the engine to unleash torque at a broader rev range, the force you feel seems to increase the faster you go, making Acceleration Swell feel more like a limitless rush than a momentary thrill.

POWER TO PULL

With up to an 3,800kg towing capacity² the QX80 offers you an extra dose of confidence and control with just the push of a button. Engage the Tow Mode and the QX80 responds by adjusting throttle response and transmission shift points to accommodate your heavy load.

CAPABILITY

ELEVATE YOUR COMMAND

The INFINITI QX80 rises above with innovations that adapt to give you more confidence on the road.

EFFORTLESS TURNS Vehicle-speed-sensitive power steering gives you more power-assist at lower speeds and less at higher speeds, for greater connection when you want it, and ease when you need it.

BETTER CORNERING AND COMFORT The power and size of the QX80 is complemented with innovative technology to augment cornering. The Hydraulic Body Motion Control system monitors force and regulates the suspension for minimized body lean and a smoother ride.

FINDING THE BEST GRIP When your adventures come across unfavorable road conditions, the 4-Wheel Active Brake Limited Slip senses wheelspin, then automatically applies braking force to the spinning wheel while directing power to the wheels with better traction.

HOLD THE ROAD All-Mode 4WD^{®1} helps ensure you're ready for just about anything. Set it to AUTO, and it continually adjusts power between the front and rear wheels, or enable 2WD, 4WD High or 4WD Low to handle almost any condition.

PERSONAL ATTENTION

ALWAYS EXTENDING A PERSONAL INVITATION

An extra dimension of customization awaits you in every moment and reveals an effortless ease in every drive.

PERSONALIZED ACCESS Recognizing you upon your approach, the INFINITI Intelligent Key lets you unlock the doors or rear liftgate all without taking the key out from your pocket or purse. Open the door and the seat slides back to ease your entry and with the touch of a button, the steering wheel and outside mirrors automatically adjust to your preferences.

SIMPLIFYING ENTRY When you arrive with luggage, automatically open the power rear liftgate with the push of a button from the location most convenient to you—the liftgate handle, lower dash or Intelligent Key. Closing the liftgate is just as simple as pressing the button under the liftgate handle.

IMMEASURABLE VERSATILITY Power folding third-row seats simplifies the most active lifestyles. Each side of the split-folding seats lies virtually flat by pushing a button, revealing an even more extensive, easily loaded cargo area.

REWARDING ROOMINESS Designed to feel open and airy, headroom abounds in every seat. A tall greenhouse and large moonroof allow light to flow in and fill the cabin. The dash and center console open up before you while putting essential controls within easy reach. You'll feel both in command and at ease.

INVITING YOU IN For added convenience and safety, Welcome Lighting responds to your presence automatically with a sequence of exterior then interior lights. The puddle lights illuminate the ground below, then the interior lights glow to help you settle in. The choreographed sequence ends with the Start/Stop button pulsing, waiting for you to bring it to life.

ENTERTAINMENT

ACCOMMODATES EVERYONE'S INTERESTS

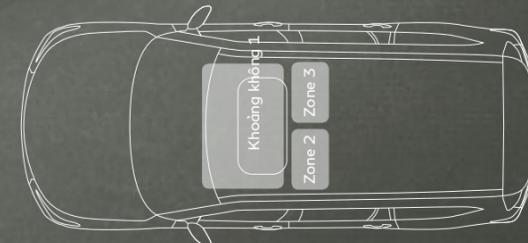

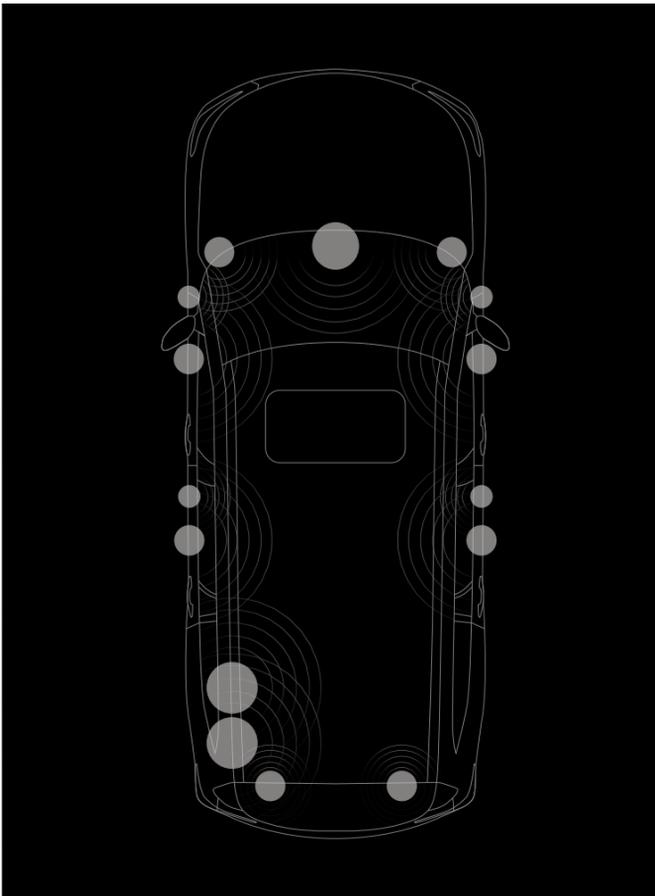

Along every journey, never lose touch. And in every seat, always be entertained, thanks to technologies that seek the comfort of every individual.

EMPOWER YOUR TOUCH The INFINITI Controller puts simple, intuitive control of your technology systems at your fingertips. It allows you to interact via the inputs most intuitive to you—turning ring, touch-screen, input buttons, and even steering wheel controls—responding to you rather than you adjusting to it.

WIRELESS POSSIBILITIES Pair your Bluetooth®-compatible smartphone with your QX80 and a hands-free world opens up³. Receive and place calls. Stream your favorite playlists from portable music players. All with the touch of a steering wheel button.

13 SPEAKER  BOSE® AUDIO

AUDITORY INDULGENCE The Bose® Premium Audio system brings 13 individual speakers to bear in a powerful 5.1-channel array. Their positioning and sound delivery is engineered specifically for the QX80 to filter out noise and distortion, and delivers music's power from the front, with sound washing through the cabin to the back, as in a live performance.

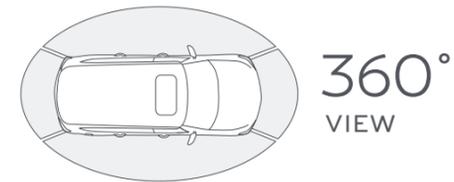

INDIVIDUALIZED ENTERTAINMENT The Tri-Zone Entertainment System⁴ offers dual 7-inch screens for second-row passengers, so they can play their own movies or games, even while those in front enjoy their own music.

CONVENIENCE

YOUR ABILITIES ENHANCED. YOUR NEEDS ANTICIPATED

You live by your instincts and the QX80 will feel like an extension of yourself. Smart systems are looking ahead, acting to assist and customize your comfort, leaving you free to focus on the drive.

SEE EVERY SIDE Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection⁵ and Front and Rear Sonar System⁶, it's easier to see and maneuver in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise, while also alerting you whether a moving or stationary object is detected close by.

INTUITIVE FRONT LIGHTING Illuminate where you truly want to be. The Adaptive Front lighting System (AFS) helps improve visibility at intersections and around curves by sensing your steering and turning the headlights. Together with LED headlights, AFS helps you see not just ahead, but around as well.

A CLEARER REFLECTION Auto-dimming outside mirrors make driving after dark more comfortable and more confident by reducing glare from the headlights of vehicles behind you. Throughout the day and deep into the night, your comfort is catered to.

EXTEND EFFORTLESS COURTESY As a courtesy to you and others, High Beam Assist recognizes any oncoming and leading vehicles, and automatically switches to your low beams. Once traffic is clear, the high beam setting is restored.

COMFORT IN EVERY SEAT The Tri-Zone Automatic Temperature Control with microfilter indulges every passenger with personal comfort, offering climate controls for three distinct zones.

SAFETY

INNOVATIVE TECHNOLOGY HELPS YOU SEE AND AVOID

A unique combination of active and passive safety innovations are on alert, ready to help you respond and acting to help protect.

TOW WITH CONFIDENCE Trailer Sway Control helps keep your trailer from swaying side-to-side during towing, which helps you experience enhanced stability and control.

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

THE SUPPORT YOU NEED In certain rear-end collisions, the Front-seat Active Head Restraints can move forward to help cushion the head.

ENHANCED PROTECTION Based on the severity of the crash and seat belt usage, the INFINITI Advanced Air Bag System adjusts inflation in the dual-stage front supplemental air bags. Also featured are front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags with rollover sensor.

PREPARED TO PROTECT During emergency braking situations, the Front-seat Pre-Crash Seat Belts are automatically tightened.

INFINITI reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models, and to discontinue models or equipment. Availability and delivery time for particular models and equipment combinations may vary. For information on availability, additional options or accessories, contact your local INFINITI retailer or visit INFINITI website.

1 Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. **2** See INFINITI Towing Guide and Owner's Manual for proper use. **3** Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. **4** Tri-zone operation requires compatible auxiliary media system. See Owner's Manual for details. **5** AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. **6** The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. **7** Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details.
