EMPOWER THE DRIVE

For those who dare to define themselves beyond the usual measures, there’s INFINITI — an experience that challenges the limits of what’s possible. See this take shape on the all-new INFINITI QX50, where design is elevated to an aspirational aesthetic and innovative technology empowers you to do more than you thought possible. Begin by crafting your QX50 for your personal journey. Every selection is designed to move, inspire and empower the drive.

START WITH A BLANK CANVAS
It’s the only way to create something that the world has never seen — a premium crossover that embodies the perfect balance of dynamism and purpose. A new clamshell hood design wraps over the fenders. The large wheel-to-body ratio translates into daring proportions, while eye-inspired I-LED headlights in the QX50 Sensory speak to the future through angled geometric shapes.

REFUSE TO COMPROMISE
The biggest revolution in the internal combustion engine since its inception, the INFINITI VC-Turbo™ is the world’s first production-ready engine that continuously transforms to optimize both power and efficiency. The multi-link system flexes to lower the compression ratio when more power is needed and relaxes to raise the compression ratio when greater fuel efficiency is desired.

ENHANCE YOUR CAPABILITIES
How will your QX50 come to life? Start with a modern interior that offers graphite leather seats, striking Ultrasuede® accents and open pore Natural Maple Wood trim. Press a button and command the road with a newfound ease. Select advanced technologies that help empower you to do more, mile after mile.

ADAPT TO ANYTHING
Whatever comes your way, know that you are ready. Sliding and reclining second-row seats move forward and back almost 6 inches to enhance leg room or cargo capacity. A standard power liftgate effortlessly opens, allowing you to store most child strollers lengthwise with the seats upright. QX50 Sensory up to greater ease and convenience. A Motion Activated power tailgate automatically opens with a swing of your foot under the rear bumper for hands-free access.

POWER WHERE YOU NEED IT
Intelligent AWD instantaneously directs power to the wheels that need it most, for improved traction and balance. When AWD isn’t needed, the front wheels get 100% of the power for more responsive road performance.

DESIGNED AROUND YOU
The All-New QX50 cabin treatment brings together thoughtful ergonomics with indulgent materials to craft an exceptionally calming interior space. Built with a unique driver-focused geometry, the cabin’s harmony of supple leathers, wood accents and tailored stitching adds artistic comfort to every mile of your drive.

• 2.0L Variable Compression Turbo™ 4-cylinder engine
• 268-hp @ 5,600 rpm; 380 Nm @ 1,600-4,800 rpm
• Front-Wheel Drive
• XTRONIC Continuously Variable Transmission (CVT) with 8 Speed Paddle Shift
• Electronic Parking Brake
• Active Torque Rod
• Keyless entry with comfort access
• INFINITI Drive Selector (Standard, Sport, Eco, Personal)
• 360° Around View® Monitor with front and rear parking sensors
• Cruise control with adjustable speed limiter
• Panoramic sunroof with power sunshade
• Front headlights with Signature Daytime Running Lights (DRL); front and rear LED fog lamps
• Power tailgate
• Semi-aniline leather seats with natural maple wood interior trim
• 8-way power seats with 2-way lumbar support for driver and front passenger
• 9 airbags
• 19” silver-painted aluminum-alloy wheels with 235/55 R19 run-flat tyres
• Individual Tyre Pressure Monitoring System (TPMS)

Includes all QX50 Essential features, plus:
• Intelligent All-Wheel Drive (AWD)
• Remote engine start / stop
• Adaptive front cube design headlights with Signature DRL; front and rear LED fog lamps
• Motion activated power tailgate
• Ultrasuede® headlining
• Tri Zone Automatic Climate Control with Auto-Air Recirculation System
• 20” alloy wheels with 255/45 R20 run-flat tyres

TRIM LEVELS & PACKAGES

QX50 ESSENTIAL
• Intelligent All-Wheel Drive (AWD)
• Remote engine start / stop
• Adaptive front cube design headlights with Signature DRL; front and rear LED fog lamps
• Motion activated power tailgate
• Ultrasuede® headlining
• Tri Zone Automatic Climate Control with Auto-Air Recirculation System
• 20” alloy wheels with 255/45 R20 run-flat tyres
• Individual Tyre Pressure Monitoring System (TPMS)

**NOTES**

- INFINITI has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local INFINITI Retailer.
- This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute a warranty (express or implied) by INFINITI Singapore. Interested parties should confirm the accuracy of any information contained herein or provided by independent companies are not within control and are subject to change without notice or liability to INFINITI Singapore.
- Intelligent Park Assist is only an aid. It is not a substitute for your attention to the immediate surroundings. The responsibility for safe maneuvering and parking the vehicle remains with the driver.
- The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it can see the spot you wish to park in.
- Emergency stop lights activate when the brake pedal is depressed and the ignition is in the ON/RUN position. The lights should remain on for up to 5 seconds after the brake pedal is released. If the lights do not come on or remain on, it may indicate a brake system problem.
- Lane Departure Warning System operates only when the lane markings are clearly visible. Speed limitations apply. See Owner’s Manual for details.
- Lane Departure Warning System stops functioning if the driver turns on the wipers, uses high beam, or uses the windshield-wiper wash function.
- Lane Departure Warning System cannot be activated when the vehicle’s speed falls below 40 km/h.
- Lane Departure Warning System may not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.
- MOD operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle.
