INFINITE POTENTIAL

We believe every driver is empowered with untold possibilities. To excel. To go as far as their drive will take them. See this take shape on the INFINITI QX80, where presence, power, and artfully expansive space create experiences grand enough to be shared beyond yourself. Begin by crafting your QX80 for the journey you share, with selections designed to move, inspire and empower the drive.

DRIVE CONFIDENTLY

Expect performance that pushes your boundaries and pulls whatever you desire. The QX80’s 5.6-litre V8 engine drives with commanding responsiveness, and maximises power while prioritising modern-day efficiency. With 400 hp and 560 Nm of torque, harness the road’s boundless potential.

CORNER WITH EASE

Greater power requires greater capability, and the QX80 spares no innovation in elevating your command. The Deluxe Technology Package’s Hydraulic Body Motion Control (HBMC) actively adjusts suspension to counter body lean and bounce for a smooth ride and controlled cornering feel. Augment your hold of the road with INFINITI All-Mode 4WD®, which ensures you’re ready when pavement is wet, snowy, or not paved at all.

NEW DESIGN. NEW CONFIDENCE.

In the strength of its lines and fearless presence, the QX80 cannot be mistaken or ignored. Its grand statement of confidence is made more distinctive with exterior styling refinements that start and end with an entirely new front design and rear fascia. Catch onlookers’ eyes as you illuminate the road ahead with INFINITI’s signature eye-inspired LED headlights — the road has nothing to hide from you. As athletic as the QX80 already is, make an even bolder statement with 22-inch forged aluminium-alloy wheels. In the redesigned QX80, distinction makes an undeniable impression.
ENHANCE YOUR CAPABILITIES

How will your QX80 come to life? Engineered for luxury without limits, it offers bold ideas for the driven. Indulge everyone in expansive comfort and entertainment, while empowering yourself with innovation that looks as far forward as you do.

JOURNEY IN GRAND COMFORT: Quilted leather-appointed seating and a leather-wrapped steering wheel give the QX80 an atmosphere of luxury you can literally touch. To make it its most exquisite, the Deluxe Technology Package adds naturally soft semi-aniline leather seating, climate-controlled front seats and Espresso Burl accents.

INVITE EVERYONE: The QX80 is an experience to be shared. Every seat abounds in legroom. Second-row captain’s chairs mean there is no coach class. When it’s cargo you want to accommodate, folding the second and third rows gives you 2612L of space.

EXPAND YOUR AWARENESS: The Driver Assistance Package gives you peace of mind on your journey by helping watch for—and avoid—danger on all sides. Drive with innovations such as Blind Spot Intervention® that can actively help avoid vehicles in your blind spot area, and Predictive Forward Collision Warning that watches two cars ahead to help warn you of danger—sometimes before you even see it.

ENTERTAIN MORE OPTIONS: You are going places, but surely not alone. Extend to your guests their entertainment of choice with the Theater Package, which offers dual 8-inch monitors for second-row passengers to view their own movies or games while those in front enjoy their own music.

REFLECT ON YOUR VISION: Always forward-thinking, the all-new Smart Rearview Mirror in the Deluxe Technology Package means your view need never be compromised by passengers, large cargo, or even darkness. The toggle transforms it from a mirror into an LCD screen, displaying the enhanced view from a wide-angle high-resolution camera. So a full vehicle can still mean a full view behind you.

TRIMS AND PACKAGES

QX80
- 5.6-litre V8 engine with 400hp
- 7-speed automatic transmission with Adaptive Shift Control (ASC)
- All-mode 4WD (Auto, 4H and 4L mode)

- Blind Spot Warning/Blind Spot Intervention Systems are not a substitute for proper lane change procedures. The systems only alert you to objects in adjacent lanes and cannot prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you.
- PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner’s Manual for details.
- Around View® Monitor is not a substitute for proper vehicle operation. Cannot detect every object and does not eliminate blind spots or warn of moving objects. Always check surroundings and turn to look behind before moving vehicle.
- Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Some services and features may require compatible cellular network provided by independent companies not within INFINITI’s control. INFINITI, Nissan North America, Inc., and its licensed affiliates may not have control over or be responsible for the content, privacy policies, security or accuracy of any third-party websites or applications accessed through any feature or connected device in any vehicle.
