INFINITI

EMPOWER THE DRIVE

Overseas Model Shown

INFINITI

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond – to design cars that push human potential. We build technology to enhance your senses, with striking design that demands a response and performance that makes you feel more alive. Prepare to experience the road as it was intended.

INFINITI QX70

Empower the drive with an unmistakable icon.

The original sport-crossover. A bold design, built upon a sport sedan chassis. It has the bones and muscle of an athlete with the enhanced capability to match. QX70. Make your mark.

EXTERIOR DESIGN

DARING IN DESIGN. ICONIC IN STYLE

Disrupt the status quo with bold style that tells the world you dare. With its sports car-inspired silhouette, the INFINITI QX70 leaves an impression that is both instantaneous and unforgettable.

ATHLETIC STANCE Large, dark finish, 21-inch alloy wheels not only complement the muscular proportions of the QX70, they are designed to make handling more responsive. The lightweight construction reduces unsprung weight and helps contribute to a quicker turn-in response - S Premium and S Design models only.

EFFICIENT FORM The sloping roofline smoothes the airflow over the QX70's distinctive shape, resulting in a low 0.35 coefficient of drag. Efficient aerodynamics reduces turbulence for lower fuel consumption and quieter cruising.

IMPRESSION AMPLIFIED Expressing signature INFINITI double-arch design, the grille accentuates its sporty character. The arc of the bottom, like a natural reflection of the top, gives the QX70 a distinctive appearance.

ENGINEERING

POWER UNLEASHED BY INTELLIGENCE

Experience performance that's innately in tune to the conditions so you'll feel more in command.

175	9.0L
KW	/100KM*

3.0-LITRE V6 ENGINE The 3.0L diesel engine has been refined to deliver a smooth flow of 175kW power and turbocharged for efficient overtaking performance with 550Nm of torque. An innovative 7-speed automatic transmission adapts to your driving style and is also tuned to take full advantage of the impressive output.

INTUITIVE TRACTION Intelligent All-Wheel Drive adjusts for better traction by sending anywhere from zero to 50% of the power to the front wheels when you need it, and 100% to the rear wheels for sporty response when you don't. You get all-wheel drive traction without sacrificing rear-wheel drive feel.

NATURALLY SMOOTH SHIFTING The 7-speed automatic transmission offers a wide selection of gears for versatile performance and enhanced fuel economy. A driver-adaptive learning algorithm familiarizes with your driving style and adjusts shifting for responsiveness or efficiency to suit you.

PERFORMANCE

INTENSIFY THE FEELING OF PERFORMANCE

Engineering that amplifies your connection to the sound, acceleration, and motion of the QX70.

A CONTINUOUS RUSH By precisely tuning the engine to unleash torque over a broader rev range, the force you feel seems to increase the faster you go. So Acceleration Swell feels more like a limitless rush than a momentary thrill.

EFFORTLESS TURNS Vehicle-speed-sensitive power steering gives you more power-assist at lower speeds and less at higher speeds, for greater connection when you want it, and ease when you need it.

SHARP SHIFTING Paddle shifters give you fingertip control over gear selection. When choosing a lower gear, Downshift Rev Matching blips the throttle like a performance driver to ready the engine for smoother, quicker shifts.

QUICKER STOPS Aluminum opposed-piston brake calipers provide stopping force from both sides of the rotor at the same time for better bite, more friction and enhanced control.

HANDLING

SMOOTH IN EVERY TURN

Feel precision that follows you into every corner and response that propels you through them.

GIVING YOU THE RIGHT RIDE Tight corners. Rough roads. Continuous Damping Control helps maintain the perfect balance of smoothness and response, allowing you to get the most out of every mile of road you encounter. The system monitors body roll and road impacts and sends the information to each individual shock so that they can be adjusted to find the perfect stiffness - S Premium and S Design models only.

TIGHTER TURNS From turn to turn, take advantage of the agility of the QX70. Rear Active Steer® sharpens handling and increases precision by actively turning the rear wheels. By tightening the response in every corner and curve, it helps maneuverability at low speeds or enhances handling at high speeds. (Available on the S Premium and S Design models only).

INHERENTLY RESPONSIVE BALANCE The Front-Midship Platform of the QX70 places the engine's centre of mass just behind the front wheel centerline. A sports car-inspired approach for near-equal front-to-rear weight ratio and inherent balance you feel with every turn.

INTERIOR DESIGN

METICULOUS IN EVERY DETAIL

Everything you see and touch is finely crafted from luxurious materials and designed to focus on the individual seated inside the cabin.

OPTICAL PERFECTION Where the dashboard meets the door or centre console, the interior components are assembled not to be perfect to a measurement, but to look perfect to your eye. This requires an exacting manufacturing process that tightens the space in order to achieve a seamless design from the driver's point of view.

DISTINCTIVE STYLE The leather-appointed front and rear seats feature a quilted cross-stitch design that adds texture to the seatback and bottom cushion.

SOFTER SEAT BELTS The seat belt is one of the few surfaces you continually touch, so we use a variable herringbone weave that is 20% softer than standard fabrics. This makes it more comfortable to wear, easier to pull out, and even less likely to snag your clothing.

PLEASING TO THE EYE The soothing glow of the Fine Vision electroluminescent gauges is designed to not only be brighter, but the contrast delivers information clearly, even at a glance.

CONSISTENT SWITCH FEEL Touch a button. Then touch the one next to it. Notice that every button and switch is crafted with the same level of precision, so you sense a consistent INFINITI feel on your fingertip.

CONNECTIVITY

IN SYNC WITH EVERY MOVEMENT AND EVERY NOTE

Technology connects you to greater experiences, bringing the people around you closer and making the world around you clearer.

SEE EVERY SIDE Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection and Front and Rear Sonar System, it's easier to see and manoeuvre in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise, alerting you when a stationary or moving object is detected behind you or close by - S Premium and S Design models only.

EMPOWER YOUR TOUCH The INFINITI Controller puts simple, intuitive control of your technology systems at your fingertips. It allows you to interact via the inputs most intuitive to you—turning ring, touch-screen, input buttons, and even steering wheel controls—responding to you rather than you adjusting to it.

WIRELESS POSSIBILITIES Pair your Bluetooth®-compatible smartphone with your QX70 and a hands-free world opens up. Receive and place calls. Stream your favorite playlists from portable music players. All with the touch of a steering wheel button.

HIGH-QUALITY SOUND With 10 speakers, including two subwoofers, the Bose® Premium Audio System delivers your music with captivating depth and astonishing clarity. Listen to your favorite music through one of many ways. You can play CDs, DVDs, and stream music from a compatible Bluetooth® device or connect and control your iPod® via the USB port.

GUIDANCE AND ASSISTANCE ON EVERY DRIVE

Whether traffic is clear or chaotic, intelligent technologies help guide you through every moment.

KNOW YOUR WAY

Find your way through busy streets and unfamiliar territory. INFINITI Navigation System lets you choose a view that's most intuitive to you—a 2D overhead view or a 3D Birdview perspective.

MANAGE YOUR PACE

Set your desired speed and distance, and Intelligent Cruise Control (Full-Speed Range) will automatically adjust your speed in slowing traffic. When traffic speeds resume, Intelligent Cruise Control will bring you back up to your preset speed and distance - S Premium and S Design models only.

MAINTAIN YOUR LANE

The Lane Departure Warning and Lane Departure Prevention Systems monitor lane markings and will warn you if you start to drift. If the drift continues, the system will help ease your vehicle back towards the centre of your lane by applying the brakes on the opposite side of the vehicle - S Premium and S Design models only.

INTUITIVE FRONT LIGHTING Illuminate where you truly want to be. The Adaptive Front Lighting System (AFS) improves visibility at intersections and around curves by sensing your steering and turning the headlights. Together with Xenon HID headlights, AFS helps you see not just ahead, but around as well.

ACCOMMODATE WITH EASE Provide for every moment. Supply suitable space for whatever you or your party has brought. Enjoy easy loading with flexible 60/40-split second-row seats that fold virtually flat for maximum convenience.

MORE COMFORTABLE QUICKLY Here, every aspect of your entrance is as hospitable as possible. Climate-controlled, leather-appointed front seats actively circulate cool or warm air through small perforations so you can reach your comfort zone faster than you imagined.

PERSONAL ATTENTION

YOUR ARRIVAL AND YOUR ACTIONS ANTICIPATED

You live by your instincts and the QX70 will feel like an extension of yourself. Smart systems are looking ahead, acting to assist and customizing your comfort, leaving you free to focus on the drive.

PERSONALISED ACCESS Recognising you upon your approach, the INFINITI Intelligent Key lets you unlock the doors or rear liftgate. And as you enter, it slides your seat back for you and adjusts your steering wheel and outside mirrors automatically to your preferences.

INVITING YOU IN For added convenience and safety, Welcome Lighting responds to your presence automatically with a sequence of exterior then interior lights. The puddle lights illuminate the ground below, then the interior lights glow to help you settle in. The choreographed sequence ends with the Start/Stop button pulsing, waiting for you to bring it to life.

SIMPLIFYING ENTRY When you arrive with luggage, automatically open the power rear liftgate with the push of a button from the location most convenient to you—the liftgate handle, lower dash or Intelligent Key. Closing the liftgate is just as simple.

SAFETY

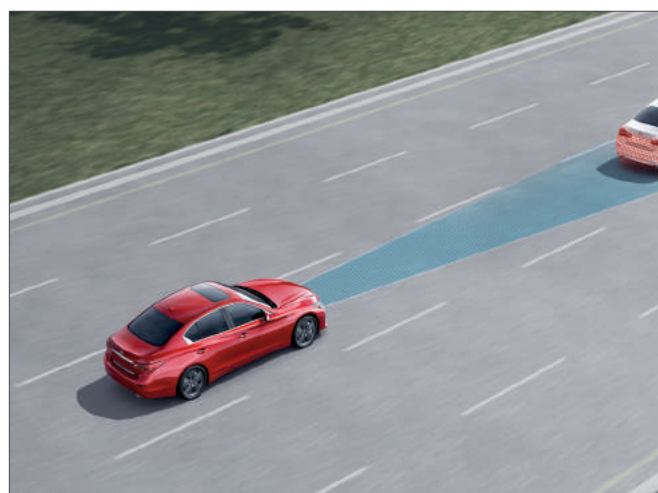

INNOVATIVE TECHNOLOGY HELPS YOU SEE AND AVOID

Empowering technologies are on alert, ready to help you respond and acting to help protect.

REDUCE HARM Intelligent Brake Assist uses sensors to monitor the closing speed to the vehicle ahead and if a collision is unavoidable, it can automatically engage the brakes to help reduce impact speed. (Available on S Premium and S Design models only).

BETTER STABILITY WHILE STOPPING Electronic Brake Force Distribution adjusts the amount of pressure applied to the front and rear wheels to improve braking performance and reduce front-end dive.

RECOGNISING DANGER Forward Collision Warning looks ahead and if your distance to the vehicle in front is too close, it will warn you visually and audibly. (Available on S Premium and S Design models only).

STRONGER AND LIGHTER Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

SMART HEAD SUPPORT In certain rear-end collisions, the front-seat Active Head Restraints can move forward to help cushion the head.

ENHANCED PROTECTION The QX70 includes front supplemental air bags, front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags with rollover sensor.

PREPARED TO PROTECT During emergency braking situations, the Pre-Crash Seat Belts are automatically tightened.

SPECIFICATIONS

	QX70 GT	QX70 S PREMIUM	QX70 S DESIGN
POWER			
Engine			
3.0 litre (2,993cc) 24-valve, aluminium heads, compacted graphite iron cylinder block	•	•	•
Valvetrain			
Double overhead camshaft (DOHC), 4 valves per cylinder with microfinished camshafts. Dual timing chains. Common rail fuel injection	•	•	•
Fuel Economy			
Combined Fuel Economy 9.0L/100km*	•	•	•
Power			
175kW @ 3,750 rpm	•	•	•
Torque			
550Nm of torque @ 1,750-2,500 rpm	•	•	•
Transmission			
Electronically controlled 7-speed automatic with Adaptive Shift Control (ASC). Manual shift mode offers sequentially selectable manual gearshifts and Downshift Rev Matching (DRM)	•	•	•
Drive Type			
Intelligent All-Wheel Drive	•	•	•
HANDLING			
Steering			
Type	Vehicle-speed-sensitive power steering	•	•
Turning diameter	11.2m	•	•
Chassis

Tyre Inflator	•	•	•

EXTERIOR

Features

Automatic-on/off High Intensity Discharge (HID) Bi-Xenon headlights	•	•	•
Adaptive Front lighting System (AFS) with auto-leveling headlights	•	•	•
Integrated front fog lights	•	•	•
LED rear brake lights and center high-mounted stoplight (CHMSL)	•	•	•
Power sliding tinted glass moonroof with one-touch auto-open/close, tilt feature and sliding sunshade	•	•	•
Power rear liftgate	•	•	•
Electric liftgate closure assist	•	•	•
Aluminum roof rails	•	•	•
Integrated rear spoiler	•	•	•
Auto levelling headlamps	•	•	•
UV-reducing solar glass	•	•	•
Rear privacy glass	•	•	•
Power folding, heated outside mirrors with courtesy lights with memory function	•	•	•
Outside mirrors with reverse tilt-down feature	•	•	•
Dark outside mirror housings			•
Dark finish exterior trim			•
Speed-sensitive flat-blade front windshield wipers with rain sensors	•	•	•
Rear window intermittent wiper and defroster with timer	•	•	•
Dual exhaust with polished tips	•	•	•
Chrome side air vents	•	•	
Dark coloured side air vents			•
Scratch shield paint	•	•	•

INTERIOR

Features

Intelligent Key with Illuminated Push Button Ignition	•	•	•
Dual Zone Automatic Temperature Control (ATC) system	•	•	•
Rear-seat heating and cooling vents in center console and ducts under front seats	•	•	•
Power windows with illuminated switches and one-touch auto-up/down with auto-reverse feature with I-Key operated power up and down function	•	•	•
Power door locks with automatic locking feature	•	•	•
Retained accessory power for windows and moonroof	•	•	•
Sequential welcome lighting illuminated entry system and overhead ambient light	•	•	•
Front sun visors and illuminated vanity mirrors	•	•	•
Dual overhead front map lights; rear-seat reading lights	•	•	•
Front seatback map pockets; front door pockets	•	•	•
Dual front and rear cup holders	•	•	•
Front center console with armrest, dual-level storage compartment, 12-volt power outlet and USB	•	•	•
Battery saver helps prevent accidental discharging if electrical accessories are left on	•	•	•
Front and rear carpeted floor mats	•	•	•
Cargo net tie-down anchors in cargo area	•	•	•
Lockable glovebox	•	•	•
Foot operated park brake	•	•	•

Sports seats		•	•
Contrast-stitched sport front seats with manual thigh extension; contrast-stitched rear seats		•	•
High contrast seats and door trim with deep-pillow quilting and contrast stitching	•	•	•
Heated front seats	•	•	•
Climate-controlled front seats	•	•	•
10-way power driver's seat, including 2-way power lumbar support	•		
14-way power driver's seat, including 2-way power lumbar support		•	•
8-way power front-passenger's seat	•	•	•
Dual occupant memory system for driver's seat, outside mirrors and steering wheel, linked to individual Intelligent Keys	•	•	•
Entry/exit assist for driver's seat and steering wheel with smart access	•	•	•
Full flat folding and reclining rear seatbacks, including remote fold-down releases in cargo area	•	•	•
Black lacquer interior trim	•	•	•
Leather-wrapped steering wheel and shift knob	•	•	•
Leather-wrapped steering wheel with contrast stitching; leather shift knob with contrast-stitched shift boot	•	•	
Leather-wrapped steering wheel with purple stitching; leather shift knob with contrast-stitched shift boot			•
Aluminum pedals	•	•	•
Front stainless steel kick plates with INFINITI logo	•	•	•
Audio and Entertainment System			
Bose® 10-speaker Premium Audio system, AM/FM/CD with MP3 playback capability, Radio Data System (RDS) and speed-sensitive volume control	•	•	•
8 inch High Resolution colour monitor with touch screen capability	•	•	•
10 GB Music box	•	•	•
Single in-dash CD/DVD player	•	•	•
Streaming audio via Bluetooth® wireless technology	•	•	•
USB connection port for iPod® interface and other compatible devices	•	•	•
Illuminated steering wheel-mounted audio controls	•	•	•
Instrumentation and Driver Controls			
Fine Vision electroluminescent gauges	•	•	•
Power tilt and telescopic steering column	•	•	•
Bluetooth® Hands-free Phone System	•	•	•
INFINITI Controller for audio, climate-control, fuel economy, maintenance, and comfort and convenience features	•	•	•
INFINITI Navigation System with 8-inch WVGA colour touch-screen display, Lane Guidance and 3-D building graphics	•	•	•
RearView Monitor	•	•	•
Around View® Monitor with Moving Object Detection and Front and Rear Sonar System		•	•
Auto-dimming inside mirror	•	•	•
Cruise control with steering wheel-mounted switches and adjustable speed limiter	•	•	•
Intelligent Cruise Control (Full-Speed Range)		•	•
Analog clock	•	•	•
SAFETY FEATURES			
Safety			
6 airbags - Front driver and passenger airbags, front hip-thorax side airbags and front-to-rear curtain airbags	•	•	•
Driver and front-passenger side-impact supplemental air bags	•	•	•

	QX70 GT	QX70 S PREMIUM	QX70 S DESIGN
Roof-mounted curtain side-impact supplemental air bags for front and rear-seat outboard occupant head protection	•	•	•
Adjustable front-seat Active Head Restraints (AHR)	•	•	•
Front seat belts with pretensioners and load limiters, driver's seat Emergency Locking Retractor (ELR) and passenger's seat ELR.	•	•	•
Second-row 3-point seat belts with ELR	•	•	•
Zone Body construction with reinforced passenger compartment and front and rear crumple zones	•	•	•
LATCH System (Lower Anchors and Tethers for Children) and ISOFIX help simplify proper installation of compatible child restraint seats	•	•	•
Electronic Brake force Distribution (EBD). EBD adjusts the amount of brake force applied to the front and rear wheels for improved braking performance. It not only helps the brakes wear more evenly, it reduces front-end "dive" during heavy braking, helping increase the directional stability of your vehicle. The system also detects vehicle-load conditions, and distributes additional brake pressure to the rear brakes as needed	•	•	•
Brake Assist (BA)	•	•	•
4-wheel Anti-lock Braking System (ABS) with Active Brake Limited Slip (ABLS)	•	•	•
Forward Collision Warning (FCW). Using the QX70's sensors, this available feature helps alert the driver of an imminent collision by providing a visual and an audible warning		•	•
Intelligent Brake Assist (IBA). This available active safety feature continuously monitors and analyzes closing speeds to a vehicle ahead or to a stationary obstacle. If the driver does not adequately respond to the Forward Collision Warning and a collision cannot be avoided, IBA will automatically engage the brakes to help reduce collision speed and impact, thus mitigating the consequences of the accident		•	•
Vehicle Dynamic Control (VDC)	•	•	•
Traction Control System (TCS)	•	•	•
Tyre Pressure Monitoring System (TPMS)	•	•	•
Slide away brake pedal assembly	•	•	•
Lane departure Warning (LDW) and Lane Departure Prevention (LDP) systems		•	•
360 display rear view camera		•	•
Front and rear sensors with rear view camera	•		
Security			
Remote keyless entry system with selective unlocking of driver's door or all doors	•	•	•
Remote power-opening of windows; closing via key in exterior door lock	•	•	•
INFINITI Vehicle Immobilizer System embeds an encoded transponder chip into ignition key. The engine control computer will not allow the engine to start without the correct key and transponder	•	•	•
Vehicle Security System	•	•	•
